BROCHURE

WHO CAN PARTICIPATE?

ECONOMIC GROWTH AND DEVELOPMENT CENTER

The Economic Development Study Tour Programs are designed for professionals, scholars, and leaders committed to driving economic development.

Our study Tours are ideal for:

Business Leaders & Entrepreneurs:

- Build strategic partnerships with international investors
- Learn innovative business models that align with economic growth trends.
- Develop entrepreneurship and SME growth strategies

Academia (scholars and institutional leaders):

- Knowledge exchange and research collaboration for faculty and students
- Promote networking and collaboration opportunities for institutional leaders
- Foster global best practices in institutional management

Government leaders and professionals:

- Establish partnerships and collaborations to foster economic growth and development
- Learn innovative strategies for promoting good governance
- Collaborate on ideas for new technologies for global competitiveness

WHAT YOU WILL GET

ECONOMIC GROWTH AND DEVELOPMENT CENTER

Participants will develop global partnerships in human capital development (learning and research), entrepreneurship, industrialization, innovations, good governance and other economic development strategies. This knowledge will enhance their strategic initiatives, learning, research, policy recommendations, equipping them to attract investments and promote economic development

STUDY TOUR ACTIVITIES

Exclusive Meetings with Industry Leaders:

Participants will have the opportunity to engage in roundtable discussions with development specialists, business/Industry Leaders and investors to promote knowledge and build high-level connections.

Site Visits:

Visits to University/Research Centers, Business Hubs, Government Agencies and Industrial parks, enabling participants to witness firsthand and develop practical understanding of the operations of successful international institutions

Networking Opportunities:

Scheduled networking events and social gatherings will provide participants with ample opportunities to connect with potential partners and collaborators

ABOUT PROF. MAGNUS KPAKOL

ECONOMIC GROWTH AND DEVELOPMENT CENTER
